# Significant Ticket

**Priority:** Significant    **Progress:** On Hold    **Complete By:** Mar 7, 2018

**Details:**

When I was a young man, even a teenager for that matter, I always had an optimism that was hard for others to overcome. Even in the midst of the all the negative influences from family and peers, this positive optimism was difficult to beat down. I was powerful, I was lucky, life was magic. I remember it like it was yesterday.

It didn't matter how many times I was chased home. It didn't matter how many times the girls bullied me. It didn't matter how many times my father beat me. It didn't matter how many times the teachers picked on me. I just knew; This is not it! There is more greatness to come!
